Electrical Package, Explosion Proof Interior Light and Fan for Outdoor Safety Lockers - 915501

Product Images

Short Description

- Explosion-proof interior light and fan package for applications requiring lighting and forced ventilation

Description

Explosion-proof interior light with UL listed exterior on/off switch. Explosion-proof mechanical ventilator tied to light switch for forced vapor removal. Rated at 350 CFM minimum. Explosion-proof conduit and wiring with seal-offs.

Notes:
• This accessory must be purchased in conjunction with a locker to ensure proper installation and to retain FM-approval.
• Due to space constraints shelving and interior light packages cannot be ordered together on 2- and 4-drum models. This also includes 52- and 105-cu ft Agri-Turf models.
